

## Tech stack diagram

Showcase how your UI, business, and data storage tools are interconnected. Then, take a big picture approach to your company's tech needs and applications to see where you can improve.

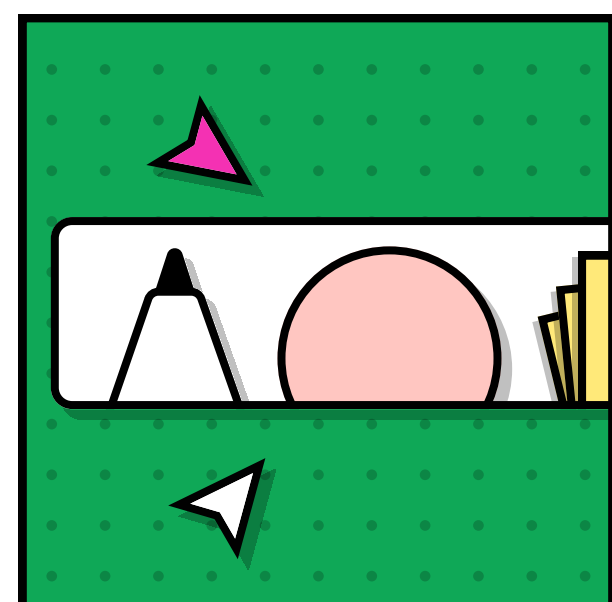

## How to use this template

- 1 Collect all software, apps, or technology your company uses.
- 2 Categorize each piece of tech.
- 3 Review with your team.

## Quick tips

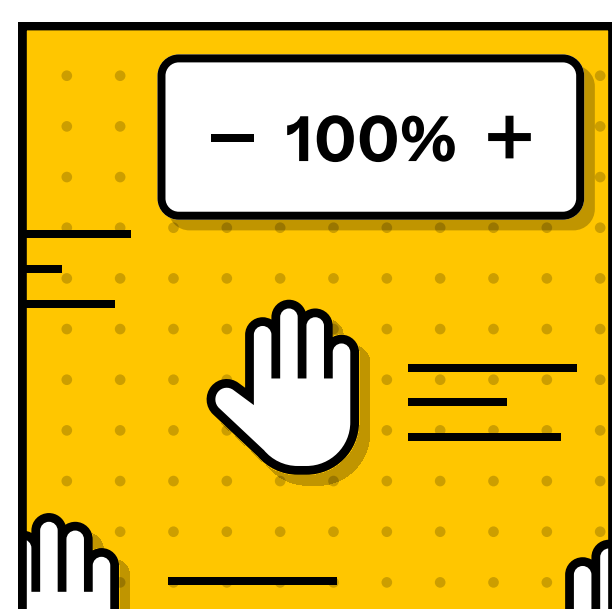

### Start with the toolbar

It's at the bottom of your screen, with stickies, stamps, and anything you need.

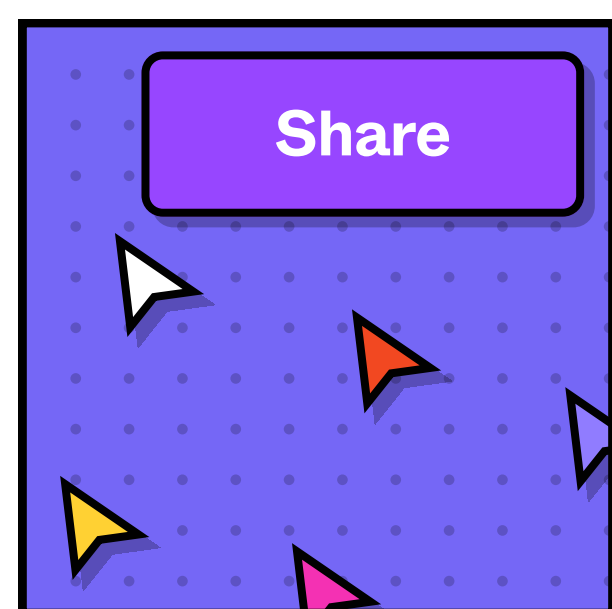

### Move and zoom

Use the hand tool to pan around. Zoom controls are in the top right corner.

### But first: get your team in here

FigJam's better with others. Click the **Share** button above to invite your team.
